

Tuscarora Township Parks Commission  
September 1, 2016 meeting minutes

Present were Jennifer Andrew, Tom Snyder, and Jim Burke.  
Also in attendance was Mike Ridley.

Jennifer called the meeting to order at 1400 hrs.

Jennifer motioned to approve the July minutes; Tom seconded, motion carried.

Mike discussed the need for better signage directing visitors to Devoe Beach and Veterans Pier. He proposed eight 24"X36" signs at specific locations, material to be .080" thick, reflective. He obtained a quote from Screen Graphics and will solicit two additional competitive quotes.

The Cheboygan Yacht Club has reserved Devoe Beach for September 8 from 0830 – noon to run RC boats. This brought up discussion that we need to complete our revisions to the Parks Rental Policy.

We also need to meet with Top of Michigan Race officials to review improvements. Jennifer will schedule this.

Our next meeting is scheduled for September 13 at 1400 to discuss the rental policy and complete the five year plan.

At 1500hrs. Jim motioned to adjourn. Tom seconded. Adjourned.

Next meeting: September 13 at 1400 hrs. Our homework is chapter five of the Five Year Plan and updates to our discussion above.
