

Tuscarora Township Parks Commission  
April 13, 2017 meeting minutes

Present were Jennifer Andrew, Dave Meckstroth, Mike Saker, Tom Snyder, Jim Purtill, and Jim Burke.

Jennifer called the meeting to order at 1400 hrs.

Mike motioned to approve the March meeting minutes; Tom seconded, motion carried.

We reviewed the five year plan for errors, none found; all agreed that it is good for final print.

Varsity ball field #4 infield needs rejuvenating, which will be done this Fall. It will require re-sodding. Ball field #1 outfield needs to be leveled and the fence is rolled at the bottom in several places. Jim Purtill will make a plan. Porta Potties are on site, as it is too cold to turn the water on yet.

The Top of Michigan Outboard Race Committee requested use of the Marina Park pavilion for Friday night preceding the race. We approved their request and \$100 fee. Jim Burke motioned, Mike seconded.

We approved a \$282 fee for Little League food service license application. Mike motioned, Tom seconded.

Jim Burke presented several sign concepts for Marina Park that the Marina Park committee is working on. Jennifer added that ten or so years ago the township decided that a common theme for signs would be blue and white, which is also ILS colors. We agreed that continuing with that color theme makes sense, as does continuity with all new township signs, such as including the township logo. Jim Burke will share our thoughts with the township board, as they are working on new signage for the commerce park.

Makenzie Milner is attending LSSU as a sophomore, studying sports administration, and would like to be our township activities director as a summer intern. She will make a proposal to us.

At 1450 hrs. Mike motioned to adjourn. Tom seconded. Adjourned.

Next regular meeting: May 11 at 1400 hrs.
