

Tuscarora Township Parks Commission  
October 12, 2017 meeting minutes

Present were Jennifer Andrew, Tom Snyder, and Jim Burke.

Jennifer called the meeting to order at 1400 hrs.

Jim Burke motioned to approve the September meeting minutes; Jennifer seconded, motion carried.

Jim Burke and Mike Saker reviewed Veterans Pier for the addition of more permanent benches to be funded from the Pier account. Mike will work with Sue Fisher to obtain a firm quote and propose it to the Parks Commission before going to the Board with it.

We talked more about a dog park at Cooperation Park and realize that there are many facets to this; it's not as simple as it first seemed. We'll discuss more in the future.

Sheree Lincoln, who has proposed a kayak handicapped launch in two previous meetings, sent a proposal for our consideration. We will discuss this in our next meeting with all present. We have taken no action.

The TOMRC asked that we provide two concrete pads at DeVoe Beach to be used to weigh their boats. They will pay all costs. Jim proposed that we place two handicap accessible benches on them, the same as used on Veterans Pier, and motioned to approve up to three thousand dollars for them. Support from Tom, motion carried.

At 1447 hrs. Tom motioned to adjourn. Jim seconded. Adjourned.

Next regular meeting: December 14 at 1400 hrs.

Respectfully submitted October 19, 2017 by Jim Burke
