

Tuscarora Township Parks Commission
August 9, 2018 APPROVED meeting minutes

Present were Jennifer Andrew, Tom Snyder, Mike Saker, Jim Purtill, and Jim Burke.
Guests included Joe Walker, Beau Depauw, Mitch Depauw.

The meeting was called to order at 1403 hrs.

Tom Snyder motioned to approve the July 12 meeting minutes, Mike Saker seconded. Approved.

Jim Purtill led us through a budget review, explaining the new format which is a work in process.

Cooperation Park: Mitch and Beau walked us through an update on tree and brush clearing for softball field #6. The south side is complete, with the exception of grading. We can begin tilling now. Beau plans to install the new fence; TTPC is responsible for materials. There is a refuse pile that the township will need to haul away. It's mostly accumulated yard waste and materials from the neighbors on the south.

Dave Meckstroth is planning to attend the Cheboygan County Planning Commission meeting at 1900hrs on Wednesday, August 15, when our special use permit will be discussed.

We are attempting to salvage the stand of oak trees on the north. We will meet in the park on Thursday, August 16 at 1745 hrs to review field position and make a final determination regarding the trees and to discuss the previous day's special use permit application review.

We've not been able to reach Mattson concerning drilling for the new well. Jim Purtill will pursue them.

The kayak launch is functionally complete. There will be an official dedication Thursday, September 6 at 1600 hrs.

The TOMORC folks would like to memorialize fallen racers. We will suggest that they purchase bricks for Veterans Pier to be installed on the "civilian side".

The meeting concluded at 1528 hrs; motion to adjourn by Tom Snyder, seconded by Mike Saker.

Next regular meeting: September 13, 2018 at 1400 hrs.

Respectfully submitted August 15, 2018 by Jim Burke
