

Tuscarora Township Parks Commission  
March 12, 2019 APPROVED meeting minutes

Present were Jennifer Andrew, Tom Snyder, Mike Saker, Dave Meckstroth, Joe Walker, and Jim Burke.

Also present were Dustin Saker and Josh Vieau

The meeting was called to order at 1403 hrs.

Dave Meckstroth motioned to approve the February 2019 meeting minutes, Tom Snyder seconded. Approved.

Dustin and Josh proposed that a new batting cage be purchased for ball field #4. They are willing to provide and install the necessary posts. They also proposed that a  $\frac{1}{2}$ " rubber floor be installed over an aetonstone substrate. They are willing to install and remove the floor at the beginning and end of each season. The cost of the 12'x80'x16' batting cage is \$1200 plus freight; cost for the rubber floor is \$4,000. Josh will discuss with ILS the purchase of the floor. Jim Burke motioned that TTPC purchase the batting cage, not to exceed \$2000. Dave Meckstroth seconded, motion carried.

Joe Walker reported that the ILS Industrial Arts class will build the roofs for ball field #6. They're working on this and are coordinating with Joe.

We discussed the temptation by enthusiastic ball players to remove snow from the ball fields as soon as the weather warms. We do not permit snow removal from the fields as this causes problems throughout the year. Jennifer will write a letter to ILS and Little League stating this policy.

Margie Reh will formulate a proposal for Wildwood Trails to create a cross country ski destination. They will pursue funding for a groomer and track setter. We expect that she will attend our April meeting to discuss in detail and formally propose a plan that will likely include funding from TTPC.

The meeting concluded at 1453 hrs; motion to adjourn by Tom Snyder, seconded by Jim Burke.

Next regular meeting: April 11, 2019 at 1400 hrs.
