

Tuscarora Township Parks Commission
May 9, 2019 APPROVED meeting minutes

Present were Jennifer Andrew, Tom Snyder, Dave Meckstroth, Jim Purtill, and Jim Burke.
Also present were Mike Riley, Brad Jacobs, and Don and Maryellen Hagerl.

The meeting was called to order at 1400 hrs.

Dave Meckstroth motioned to approve the April 2019 meeting minutes, Tom Snyder seconded.
Approved.

We talked with Brad Jacobs about roles, responsibilities and expectations of ILS, and Tuscarora Township Parks Commission. Brad wants "To do this better". Our concern is Ball field 4 specifically.

A Special Use Permit amendment is required for the ice rink roof. Mike Ridley made the application; the Cheboygan County Planning Commission will decide on this in their May 15 meeting. Jim Burke will attend. (Note: the application was approved and we are good to go. Upon completion a final inspection and certificate of occupancy will be required.)

Ball field 6 short fence has been replaced with the correct taller fence. The short fence will be used to replace the fence at Field 1.

Don and Maryellen would like to create a memorial kiosk at Veterans Pier for past racers. The kiosk will be the same as exists, made by Joe Hines. They're working with Mike Ridley on this.

We will not be changing rates this year:	ILS	\$4500
	Little League	\$2400
	Soccer	\$2400
	Outboard Marathon	\$500

The meeting concluded at 1506 hrs; motion to adjourn by Tom Snyder, seconded by Dave Meckstroth.

Next regular meeting: June 13, 2019 at 1400 hrs.
