

Tuscarora Township Parks Commission  
August 8, 2019 Approved meeting minutes

Present were Jennifer Andrew, Jim Purtill, Mike Saker, and Jim Burke.  
Also present were Mike Riley and MaryEllen and Don Hagerl.

The meeting was called to order at 1400 hrs.

Mike Saker motioned to approve the July 2019 meeting minutes, Jim Burke seconded. Approved.

MaryEllen and Don reviewed proposals for a commemorative kiosk to be placed at Devoe Beach. Jim Purtill's crew will install it. The kiosk will look just like all of the others. When it is ready, we will go to the park and select a location, most likely on the east end, facing the river. Jim Burke motioned and Mike Saker seconded that this will be coordinated through Jim Purtill. Motion carried.

We discussed food trucks for Rhythm on the River at Devoe Beach. Our Parks Reservation Policy and Township Ordinance 7 covers this. Both documents talk to each other, but there seems to be some consternation at the township board and police department level. They will review all of the township ordinances and sort things out.

We have a bid for \$76K to grind, fill, repair, and refinish the ice rink surface. There are a few remaining details to be sorted out by Jim Purtill.

Ball fields 1 and 4 have been rejuvenated.

Ball field 6 outfield starts about 12 feet too far back from the infield. Jim Purtill and Dave Meckstroth will figure it out. Sprinklers may have to move.

We have a bench from Kiwanis to memorialize Darryl Pfister. It is to be placed at Lower Marina Park and a tree planted. We need to review this with Kiwanis.

The meeting concluded at 1505 hrs; motion to adjourn by Mike Saker, seconded by Jim Burke.

Next regular meeting: September 12, 2019 at 1400 hrs.

Respectfully submitted August 12, 2019 by Jim Burke
