

Tuscarora Township Parks Commission  
November 7, 2019 APPROVED meeting minutes

Present were Jennifer Andrew, Jim Purtill, Mike Saker, Tom Snyder, Dave Meckstroth and Jim Burke. Mike Ridley stopped in several times to listen in.

The meeting was called to order at 1358 hrs.

Tom Snyder motioned to approve the September 2019 meeting minutes, Mike Saker seconded. Approved.

Ice rink: Boards will be replaced December 15; it will take three days. We plan to have ice for Christmas. The roof is complete. Electrical is complete. Jerry Wolfgram is lined up to replace the stairs. Concrete grinding and crack filling will be done in the Spring. Jim Purtill “knows a guy” that will rent us the equipment for cost. We will take this opportunity to recondition the tennis courts.

Ball Field 6 is nearly complete; waiting to finish the dugouts. The ILS shop class is lined up and has the ball. Jennifer plans to attend the next School Board meeting and remind ILS that they have agreed to pay for the dugout concrete work and complete the construction.

Jim Purtill is working on a plan to dredge the Little Sturgeon and install 380 feet of 7 gauge seawall from the Indian River to the tube. This is the “Red Barn” property. Currently it appears that he can get this done for \$60K . We’ll discuss this further in our January Parks meeting. We’re also thinking about installing a seawall along the Little Sturgeon at Lower Marina Park, but this won’t be done until after the Onaway Road bridge is replaced by the Road Commission.

Joe Walker continues to take on additional responsibilities. Jim Purtill will begin to reduce his hours as Joe matriculates into a leadership position.

The meeting concluded at 1508 hrs; motion to adjourn by Jim Burke, seconded by Dave Meckstroth.

Next regular meeting: January 9, 2020 at 1400 hrs.  
Respectfully submitted November 8, 2019 by Jim Burke
