

Tuscarora Township Parks Commission
September 12, 2019 APPROVED meeting minutes

Present were Jennifer Andrew, Jim Purtill, Mike Saker, Tom Snyder and Jim Burke.

The meeting was called to order at 1400 hrs.

Tom Snyder motioned to approve the August 2019 meeting minutes, Mike Saker seconded.
Approved.

We discussed the conversation from the Township Board meeting relative to food trucks in town. The Board decided to assign the task of developing an ordinance to the Tuscarora Township Planning Committee. This will not be a Parks Commission responsibility.

Ice rink: We have bids to replace the boards; remove, replace, cut, caulk, paint and seal the concrete. Jim Purtill is coordinating all of this in an effort to have it all done and ready for ice this winter.

Ball Field 6 is nearly complete; waiting to finish the dugouts. The ILS shop class is lined up and has the ball.

Kiddieland needs some TLC. The wood chips and white plastic will be removed and the walkway will be re-seeded. The entire area will be freshened up.

We have a bench from Kiwanis to memorialize Darryl Pfister. It has been placed at Upper Marina Park. We need to review this with Kiwanis.

TOMORC wants TTPC to remove and replace the swim buoys and parking curbs before and after the races each year. We agree to do this for a \$500 fee, which covers our cost. Jim Purtill will discuss this with Dave Umbarger, the race commodore. We are also asking the TOMORC to provide a dumpster. They've been good about bagging their trash but we pick it up and fill our dumpster, which costs us money. We're not looking to profit from the races, merely cover our cost. They are good friends and we want to continue our partnership.

The meeting concluded at 1520 hrs; motion to adjourn by Tom Snyder, seconded by Mike Saker.

Next regular meeting: October 10, 2019 at 1400 hrs.
