

Tuscarora Township Parks Commission
January 9, 2020 APPROVED meeting minutes

Present were Jennifer Andrew, Jim Purtill, Joe Walker, Tom Snyder, Dave Meckstroth, Mike Ridley and Jim Burke.

The meeting was called to order at 1400 hrs.

Tom Snyder motioned to approve the November 2019 meeting minutes, Jim Burke seconded.
Approved.

We agreed to add Marina Park to the DDA district. We will add Marina Park and amenities to the DDA district legal description and amend the five year plan accordingly.

The ice rink is functional. It has ice. We're working on a sound system that will include wireless microphones in the future. We also reviewed the ice rink budget.

Joe Walker will create and maintain a Facebook page for the parks. Also a big Thank – you to Joe Walker for all the great work on our ball fields this past year!

Jim Purtill is working on a plan to dredge the Little Sturgeon and install 380 feet of 7 gauge seawall from the Indian River to the tube. This is the "Red Barn" property. Currently it appears that he can get this done for \$60K . We're also thinking about installing a seawall along the Little Sturgeon at Lower Marina Park, but this won't be done until after the Onaway Road bridge is replaced by the Road Commission. We all agreed to continue with this plan. We are researching funding from other sources for this project. Dave Meckstroth motioned and Tom Snyder supported a decision to continue with this seawall plan.

Tom Snyder motioned and Jim Burke seconded a motion to trade the old blue truck with a blown engine for a paint job on our utility box for the new truck. To be done by Earl Colburn. All agreed.

The meeting concluded at 1507 hrs; motion to adjourn by Jim Burke, seconded by Dave Meckstroth.

Next regular meeting: February 6, 2020 at 1400 hrs.
Respectfully submitted January 13, 2020 by Jim Burke
