

Tuscarora Township Parks Commission
November 2, 2021 meeting minutes

Present were Jennifer Andrew, Doug Schofield, Pat McGinnis, Dave Meckstroth, and Jim Burke.
Visiting were Jay Reidsma and Mike Ridley.

The meeting was called to order at 1400 hrs.

The primary reason for this meeting was to discuss the NEMCOG proposal for assisting with updating our five year plan.

We all agree that the quoted \$3100 for assistance is a very reasonable price to pay for professional help that has generated significant grant money in the past for parks improvements.
Jim motioned and Pat seconded that we sign the subject contract with NEMCOG and begin the process. All agreed. Mike Ridley and Jennifer Andrew will both sign.

We also continued our discussion of revenue creation.
Brad August is fabricating a donation box that will be welded to the ice ink structure. It's a start.

At 1436 Pat motioned and Jim seconded that we adjourn.

Next meeting is December 2 at 1400 hrs.
